EXHIBITION

HOLLYWOOD FLESH, MELBOURNE

John Forrest's exhibition of paintings, featuring the iconic characters of Hollywood, explores the dark side of celebrity. Our favourite? Starlet Marilyn Monroe's stressful moment by the pool with *Jaws*. Yikes! September 10-29. More: www.metrogallery.com.au

CIRCUS

CIRCUS OZ FROM THE GROUND UP, NATIONWIDE

Power-packed aerialists? Check! Knockabout jugglers? Yep. Live-wire musicians? At the ready! And all under one roof (we mean big top). Bring on the non-stop action with this two-hour session of fully charged, absurdist rebellion... August 16-October 7. More: www.circusoz.com

Something's Gotta Give by John Forrest

ALBUM

SOMETHIN 'BOUT KREAY, KREAYSHAWN

You probably already know her YouTube hit *Gucci Gucci*, and *Go Hard*, Kreayshawn's first official single from her debut album, is just as catchy and Gwen Stefani-esque. We can see these infectious tunes becoming our new Saturday-night anthems! September 14.

TOUR

The eccentric and original singer/songwriter is returning to Aussie shores following the release of his acclaimed new Mark Ronson-produced album, *Out Of The Game*. With band in tow, his scope of sounds and styles promise us a real treat. September 8-19. More: www.rufuswainwright.com
